2017 Montana Wild West Hunt Week
Joint Meet Red Rock Hounds and Big Sky Hounds and BSH Hunt Ball
April 1, 2, 3, Three Forks | April 7, 8, 9 Miles City

MILES CITY WEEKEND:

We are very excited to be hunting Miles City - Montana's premiere Old West town. This famous cowboy town is rolling out the red carpet for us with three days of western hospitality. We have been invited by a group of local stockgrowers and long-time ranching families to introduce the sport and tradition of foxhunting to the real Wild West. Not only have they welcomed us to hunt their massive ranches, but also enjoy their community and rich heritage. Many of these families also have clubs, bars and restaurants in town, so we will be patronizing their establishments. Many are members of social clubs and museums that they invite us to attend, including the oldest social club in the west where we may glimpse real Charlie Russel's and also participate in the grand seasonal opening of the Range Riders Museum with a hound parade.

There will be a great amount of local involvement, as many of the ranchers and cowboys will be joining us for each hunt. Additionally, this is calving season and so all hands will be busy with ranch work and we will be sure to respect the landowners wishes during this vital time. We ask that you dress formally, but also know that they will consider it just as much of a show of respect if you choose to dress or ride western.

CAPPING FEES should be paid to Red Rock Hounds (\$100). Locals/residents of Miles City area will not be charged capping fees, nor will members of RRH, BSH, or any hunts that have brought hounds.

FIXTURES: We will be hunting in and around Miles City and Kinzey, all of which will require transporting horses and hounds by trailer. Fixture locations are extremely weather dependent, as the roads are remote and can be very muddy. Be prepared with tire chains (if possible) and foul weather gear.

SCHEDULE: Trailer caravans will be departing Three Forks on the morning of Wednesday, April 5th and arriving in Miles City that evening. Thursday is a day off. We will hunt Friday the 7th, Saturday the 8th, and Sunday the 9th. Monday is a day off, and the caravan will depart back toward Three Forks on Tuesday, April 11th.

This is being handled as a Three-Day "Away Meet", but you may attend all or part of the weekend. Please explain below what days you will be attending and needing accommodations for horses.
